

Host Your Own CFC Giving Tree Event

“A donation has been made in your honor!”

The first CFC Giving Tree was designed in Singapore in 2010 with lovely framed photo ornaments of our students. The ornaments were purchased and given as token gifts to represent generous donations given to support various CFC programs and needs. Once purchased, the ornaments were used as ‘thank you’ or ‘holiday’ gifts, or stocking stuffers, etc. Over the years, the CFC Giving Tree tradition has grown and has taken various forms around the globe, including an annual online campaign.
